 "It's so simple to be wise. Just think of something stupid to say and then don't say it."
 --Sam Levenson

"Hey, cabby! How much to take me to the station?"
 "Five bucks, sir."
 "And how much for my suitcase?"
 "No charge for the suitcase, sir."
 "Okay. Take the case, and I'll walk."

 What do you call a dinosaur that turns small words into big words?
 A thesaurus!

My mother-in-law sent me two sweaters for my birthday. When she came for a visit, I put on one of the sweaters. The first thing she said was, "Didn't you like the other one?"

Little Amy told her uncle, "When I grow up, I'm going to marry the boy next door." "Why is that?" "Cause I'm not allowed to cross the road."

...
 The teenager lost a contact lens while playing basketball in his driveway. After a brief, fruitless search, he gave up. His mother took up the cause, and within minutes she had found the lens. I, on the other hand, was looking for \$150!"

...
 Did you know that dolphins are so smart that, within a few weeks of captivity, they can train people to stand on the very edge of the pool and throw them fish?

A lady on a commuter train was reading a newspaper article about life-and-death statistics. Fascinated, she turned to the man next to her and asked, "Did you know that every time I breathe somebody dies?" "Really?" he replied. "Have you tried a good mouthwash?"

8 DESCRIPTIVE DISASTERS

1. Her hair glistened in the rain like a nose hair after a sneeze.
2. The thunder was ominous-sounding, much like the sound of a thin sheet of metal being shaken backstage during the storm scene in a play.
3. The man was as tall as a 6'3" tree.
4. He was deeply in love. When she spoke, he thought he heard bells, as if she were a garbage truck backing up.
5. The politician went unnoticed, like the absence of the period after Dr. on a Dr Pepper can.
6. Her date was pleasant enough, but she knew that if her life were a movie, this guy would be buried in the credits as something like "Second Tall Man."
7. He fell for her like his heart was a mob informant, and she was the East River.
